## **ABOUT IN THIS MOMENT**

Since coming to life in 2005, the GRAMMY® Award-nominated act In This Moment have presided over a diehard fan base under the watch of “mother” figure and frontwoman Maria Brink—joined by co-founder and lead guitarist Chris Howorth, bassist Travis Johnson, guitarist Randy Weitzel, and drummer Kent Diimmel. As millions convened upon the group’s otherworldly and unforgettable concerts, they quietly emerged as one of the most influential and impactful bands of the 21st century.

To date, in addition to the Gold-selling album, *Blood* [2012], the quintet have garnered six Gold and Platinum singles, followed by a trifecta of Top 25 entries on the Billboard 200 with *Black Widow* [2014] and *Ritual* [2017]. With a total stream tally well past 200 million as of 2020, *Ritual* elevated them to new creative and critical peaks as well. Between selling out headline tours coast-to-coast, the group performed in arenas everywhere alongside Disturbed and appeared at countless festivals from Lollapalooza to Sonic Temple. Along the way, they assembled their seventh full-length, the aptly titled *Mother* [Roadrunner Records] with longtime trusted collaborator Kevin Churko [Ozzy Osbourne, Five Finger Death Punch]. Whereas *Ritual* hinted at a bluesy sonic sorcery, *Mother* breathes the activating mantra of an unbreakable spell, commenced on first single “The In-Between.”

In 2022, the band released *Blood 1983* [BMG], a reimagined EP commemorating the ten-year anniversary of *Blood*. Then in 2023, the longtime staples of heavy music released their eighth studio album *GODMODE* [BMG], a 10-song record featuring the powerful lead single “THE PURGE,” the band’s stunning cover of Björk’s “ARMY OF ME,” the collaborative track “DAMAGED” which features Spencer Charnas of Ice Nine Kills, and “I WOULD DIE FOR YOU,” which appears on the soundtrack for *John Wick: Chapter 4*.
